Here's a bigger one on top of the hill.  
Wow, that's really something!  
So you like that one better?  
The way it sits makes it stand out more.  
But do you need six bedrooms?  
I just know it's what I want.  
So, it suits you better?  
I deserve it.  
How's that?  
I've earned it.  
Really?  
I've worked hard.  
Did you have to struggle?  
I've been very successful.  
Do you like what you do?  
I'm making a lot more than any of my peers.  
Do you think you have been fortunate in life?  
Not nearly as much as big-shot Ralph!  
Did others help you along the way?  
It's mostly been me.  
So, that's the property you want to buy?  
I think it will make Ralph's place look really weak.  
But Ralph supports a bunch of charities.  
What does that have to do with anything?

So,  
What else do you need?  
I really like what Paul has.  
Why?  
Because Paul has enough to do anything he wants.  
Will that make you happy?  
Absolutely.  
Well, when do you think you'll get there?  
I'm working on it.
