

Living The Contradiction

We Exist
Within a Contradiction
Without Any Escape.

Creation and Destruction
Matter and Anti-Matter
Gravity and Dark Energy
White Holes and Black Holes.

Growth and Decay
Life and Death.

Love and Hate
Give and Take
Equality and Disparity
Cooperation and Competition.

Objective and Subjective
Intellectual and Inspirational
Material and Spiritual.

Body and Soul
Heaven and Hell
God and Satan.

Beware!!
At Their Combined Best
Science, Society and Spirituality
Cannot Solve This Contradiction Problem.
It's Inherent in All of Existence!

Our Best Option?
Understand the Difficult Challenge,
Pay Attention,
Remain Open,
Reject "Easy" Answers,
And
Seek Balance.
