

## LOVE – HATE

### Love

Sight of Mirror-Lake at Sunrise,  
Fragrance of Honeysuckle Fields,  
Touch of Tickling Feathers,  
Taste of Shared Chocolate,  
Sound of Collaborating Whippoorwills,  
  
Hope Celebrated On Life's Treadmill.

### Hate

Sight of Genocide at Sunrise,  
Smell of Battle Fields,  
Touch of Soggy Feathers,  
Taste of Looted Chocolate,  
Sound of Mourning Whippoorwills,  
  
Hope Rebuffed On Life's Treadmill.

“What We See, Smell, Touch, Taste, and Hear Is What We Get.”

Thomas A. Burns
