

The Right Time

The Early Bird Catches the Worm.....Good Things Come to Those Who Wait

Everything In Due Time.....Strike While the Iron Is Hot

No Time Like the Present.....Wait and See

Don't Rush It.....Get On With It

Behind Times.....Ahead of Its Time

Get After It.....Wait a Minute

Before Its Time.....All in Good Time

Get It Behind You.....Wait It Out

Too Soon.....Too Late

Make It Happen.....Let It Happen

Be Patient.....Get a Move On

Catch Up.....Slow Down

Left Out.....Jump In

Shelve It.....Keep Pace

False Start.....Left Behind

Premature.....Overdue

We Only Know

“Now's the Time”

“After the Fact.”
