

I Am.....

I Am My Lifetime of Me

Every Action

Every Thought

Every Feeling

Every Hope

Every Failing

Every Achievement

Every Joy

Every Disappointment

Every Contribution

Every Connection

Every Opportunity

Every Weakness

Every Perception

Every Creation

Every Loss

Everything!

And,

I Am the Unknown I Will Be.

Am I Something Whole?

I Doubt It!

More Likely

I Am....

Shape Shifting Pieces

Of a Floating Puzzle

With Infinite Solutions.

I Am

One Possibility.
