

## Birthdays

Our Creative Time  
When We Are Pushed, Pressed and Pulled  
From Our Warm, Graceful Internal Basket  
Into the Breathtaking, Knife Wielding External World  
Of Butt Beating and Loving Hands.

What Will We Become?

Pushing,  
Butt Beating,  
Breathtaking,  
Knife Wielding  
Aggressors?

Or

Creative,  
Warm,  
Loving,  
Graceful  
Progenitors?

Or

Sometimes One  
And  
Sometimes the Other  
Depending On  
Who,  
What,  
Where,  
When?

The Flow  
Of Give – WE and Take – ME,  
The Alternatives of Being,  
With Us from Our Birth!
