

Curiosity

Wonder

“I Wonder If We Could.....”

Imagination

“Can You Imagine a Different Way to Do It.....”

Inspiration

“It Just Came to Me.....”

Discovery

“Maybe We Could Look For.....”

Speculation

“Wow, That Might Actually Be the Answer.....”

Possibility

“Yes, But How About Trying.....”

Without Curiosity
We're Stuck,
Stagnant,
Prisoners of the Present.

Curiosity
Keeps All Doors
Wide Open
For Us.

THEN.....

Caution
Curbs Our Carefree Curiosity
Needing to Dodge
Dubious Doors.
“Curiosity Killed the Cat.”

BALANCE,
Always Balance!
