Ripple

The Last Phase
Of a Great Wave.

Humans – Ready to Ripple?

Spectacular Modern Progress
But
Minimal Strategic Self-Restraint.

Decimate the Environment,
Destroy One Another,
Compete for Dominance,
Pursue the Power-Elite Wealth Wagon.

“Climate Change Is a Hoax!”
“Putin Is a Pal,”
“Technology Will Provide the Answer,”
“Super Intelligence – Go USA, USA!.”

Remaining Obsessed,
In Spite
Of Knowing Better!

Humanity:
Riding a Mighty Wave,
While
Promoting Its Final Ripple.

Cycle Back to Bands
OR
Scrap the Specie?

THIS
